Early Frost has some mature/disturbing themes and some violence

Mirielle:

Mirielle plays the role of Alice. When she's not adopting inanimate objects as her children, she loves to crochet for her child that is a glove. She hopes you enjoy the show and "don't go without saying goodbye to me" first!

AJ:

After creating home movies during her free time, AJ is thrilled to be given the opportunity to direct an actual play. When she is not watching the latest movies and series on hulu, she enjoys attempting to make confectionery goods. She hopes you enjoy watching the show!

Lean:

Lean plays the role of Louise. At home, Lean loves to watch shows and play video games. Unfortunately, Lean's character Louise, is not the grand mommy that lives in Edmonton and is only 2 km away from you. Instead, she is a sweet aunt who is willing to do whatever it takes to protect her family. Lean hopes you have tons of fun during the show. Keep calm and love lean.

Janna:

Janna plays the role of Hannah. She enjoys various forms of art, especially f(arts). When she's not laughing with friends, she is attempting to sing opera with her brother and dog. She hopes you scream for your Aunt Louise when you see her portrayal of Hannah!
